Dear Pastor,

I'm in hope that you're still continue with your activities as normal. For a long time I've never heard from you. My health is somehow favourable as well as my family as a whole.

Dear Pastor, I'm very grateful for your preach through tapes which I received today 26th Sept 1984. I'm still listening and learn the same then I'll inform more about what I've gained through your interesting preach concerning Good news.

I'm in hope that you'll be kind enough to help me whenever I overcome any misunderstandings during my learning. I also request you whether there is a possibility of sending me more tapes as well as magazines concerning your ~~work~~ career.

I finally acknowledge receipt of receiving two cassette tapes titled TRUTH IN THE INNER PARTS and HOLD FAST THE FORM OF SOUND WORDS, Thanks very much for your response. Wishing you all the best in spreading God's words throughout the world.
Yours in Christ,
Stephen P.B. Thonga.
