Dear Pastor, Paul Arnopoulos

It is with a great pleasure to request for a taped sermon, cassette from you.

I have been sharing your interesting sermon about our Lord Jesus Christ with my elder brother, who is now away from home serving to a certain place co-pastor.

In 1984 I wrote you about the issue and your answer came in a negativity state due to fact that you had a shortage of funds to run your certain projects. But you ^{have} promised to send me the cassette as soon as possible after regrouping from the economical crisis facing your ministry, till now you did not done so.

Dear Pastor I write to you again with a great hope about the issue.

Thanks in advance.

Yours in Christ
Jimmy
